Original with all background material forwarded to Mr. Helms on 23 January by JSE with a note: Dick: In accord with the dis. at today's Deps. Mtg on this subject, please let me have a note as to the "boy's views", etc, etc... It is my understanding the DCI wanted these views prior to final approval and activation of this project even though he has signed it."

Hold these carbons until the "views" requested come through -- then distribute.
